### Meeting With Staff

Teachers are happy to discuss with parents, their children and all aspects of school life. It is often difficult for them to talk at length at the beginning of the school day as they are setting up activities for the children. They will always arrange a suitable time for a meeting.

Mondays, Tuesdays and Wednesdays are Mr Cook's days teaching; Mrs Pepler will be in class on Thursdays and Fridays.

### Homework and How You Can Help At Home

Help memorise tables, addition and subtraction facts to develop quick recall. Draw attention to real life maths (for example telling time and using money).

As well as listening to your child read it is important to discuss texts and share reading experiences. We greatly value your support, we are on the lookout for volunteers who could come and support 1:1 reading. Encourage your child to always give it a go, better to try and come close than have an adult do it perfectly for them!

### PE Kit

Please can you make sure that your child has black PE trousers or shorts, suitable footwear and a PE shirt, all named in school everyday.
